* If the IP field contains an entry of Y, registration in that particular course is contingent on successful completion of an in-progress prerequisite course.

You are academically and financially liable for the courses for which you have registered. Please ensure the accuracy of the above information and report any discrepancies to the Office of the Registrar immediately.

Please note that your eligibility to remain registered in courses for the current semester is subject to final confirmation of your eligibility for admission, promotion, or continuation. Please consult the University Calendar at www.mun.ca/regoff/calendar for the related academic regulations and requirements.
